

Edison Senior High School Admission Requirements

The mission of Edison Senior High School, in partnership with all of its stakeholders is to provide all students a world class, world themed, world-focused education, creating graduates who are inventors of their own destinies.

Edison Senior High firmly believes that the cooperative efforts of students, parents, teachers, counselors, and administrators ensure academic success for all students enrolled in each of its colleges.

The expectations for all students interested in enrollment are to achieve academic success and marketable career skills. Interested students must meet the following minimum requirements:

2.0 minimum "c" grade point academic average as outlined by Miami-Dade Grading Policy.

2.5 minimum "c" grade point conduct average as outlined by Miami-Dade Code of Student of Conduct.

Must be in good standing with School Board Attendance Rule 6GX13-5A-1.04.

I have read the Edison Senior High Magnet Contract's requirements for admission.
